To my patients and their parents:

It has been my privilege to participate in the care of your children for the past 18 months. Due to downsizing within the practice, I have chosen to pursue another opportunity as a consultant and will be leaving Broomfield Pediatrics and Internal Medicine effective June 8th, 2017. While I am excited and looking forward to this new opportunity, I am also disappointed that I will no longer be able to watch as your families grow and mature.

Dr. Greer, Dr. Gonzales, Dr. Pham and Rebecca Barnes PA are available and more than happy to see your child/children.

I have enjoyed meeting each and every one of you and will miss the relationships that we have built. Please know that I wish your entire family continued good health and happiness now and into the future.

Sincerely,

Debra Greenstein, MD
